## 1 PURPOSE

This policy will guide Council on the creation and disbandment of committees of management in accordance with Section 86 of the Local Government Act 1989.

## 2 SCOPE

The policy applies to Council in its decision making around the creation and disbandment of Section 86 committees of management.

## 3 POLICY

### 3.1 Creation and support of committees

Section 86 committees of management will only be formed by resolution at an Ordinary Meeting of Council, and where:

- Council deems that it would be beneficial to the community for a local committee to undertake the role for and on behalf of Council
- it is considered that Council will be able to manage any risks associated with the activity being undertaken by a local committee
- there is evidence of support for creation of the committee at a local level
- there is no incorporated body that undertakes the same role
- there is no opportunity to implement another legal structure, such as a lease or management agreement with an incorporated body.

Council will support Section 86 committees of management by providing:

- dedicated staff resources to provide advice and assistance in governance and operational matters
- up to date and relevant information for operating as a Section 86 committee of management in a governance manual for committees
- training in the requirements of Section 86 committee of management.

Council will monitor all Section 86 committees of management to ensure compliance with requirements of the Act and the Instrument of Delegation that guides their activities by:

- checking the return of minutes after meetings
- ensuring that committee memberships are updated annually following the Annual General Meeting
- ensuring that financial reports are audited in accordance with the Instrument of Delegation.

### 3.2 Disbandment of committees

Section 86 committees of management will only be disbanded by resolution at an Ordinary Meeting of Council. Reasons for disbandment could include:

- Council deems that it would be more beneficial to the community to have Council staff manage directly the role previously undertaken by a committee
- Council is unable to manage the risks associated with the activity being undertaken by the committee
- there is evidence of support for disbandment of the committee at a local level
- an incorporated body approaches Council about undertaking the role of the committee
- the function previously undertaken by the committee is no longer required.
