Minutes of an ordinary meeting of the Roxbury Sanitary Council held at the Sanitary Office Roxbury on Thursday the 13th June 1867

Present Messrs. Hunter, Macrae, Coutts, Clayton, Hegarty, Roy, Oldham and Macpherson.

The minutes of last meeting were read and confirmed.

Correspondence.

1 From the Office of Works & Bridges relative to Dam Roads.

2 From the Town Clerk of Inglewood asking for the co-operation of the Council in the endeavour to obtain a resident Police Magistrate in the district.

3 From the Board of Land & Works declining to alter the O'Rourke Ruins Farmers Common

4 From the Office of Roads & Bridges sanctioning the alteration of substituting sills for piles in the East Charlton Bridge.

5 From the Managers of the Brisbane Unites Common respecting the management of that common.

6 From Arnold Ross complaining that Joseph Allen has fenced in and enclosed a length of Crown frontage

between allotments in section 12 township of Heidelberg.

7 From John P. Plumpton complaining of insufficient payment for work on Stone Bridge and stating his intention to charge for day-work at his contract price accounts for which he encloses showing balance due £33-2-0

8 From Secretary to Melbourne Hospital acknowledging receipt of donation from the Council

9 From James Byrne requesting that his name may be placed on the rate book in lieu of James Bromilow's whose premises he now occupies

10 From William Hunter making same request with respect to premises rated to William P. Bright

11 From Jacob Spence making same request with respect to premises rated to Walter Chisholm.

12 From Mr. Langtree proposing to establish in Melbourne an Office for the transaction of business connected with Shires & Road Boards.

13 From Joseph Allen asking the Council to close the right of way referred to in Ross' letter No. 6 and to open a new one through the Dame Block.
