

Thinking about working on a Council roadside? You may need a permit.

Different permits from Loddon Shire Council may be required for activities on a roadside. The table below identifies the activity, the relevant team within Council who need to be contacted for permit requirements and the Victorian and federal legislation that applies to each activity. The Loddon Roadside Management Plan can be viewed at Council's Wedderburn office or on the Council website under Plans and Strategies. For details, contact Council on 03 5494 1200.
