Cr Coutts
Cr Ross } That the Council support the proposition

3. Shire of St Arnaud re Conference concerning rabbit question to be held in Melbourne and asking Corporation and appointment of delegate.

Cr Bourchier thought something should be done in the matter St Arnaud Shire Ratepayers had called a meeting (apparently to censure the Council) at which it was stated that the plague was due to the rabbits coming from our Lands. He contended that the purchase of scalps and cars was becoming far too costly and [illegible]

of the rabbits was only going on where the re were so numerous & that people could make a good thing of it — Mr Bourke thought no blame could attach to the Council which had done useful work neither was it fair to compel a man to destroy his brush fences while the Crown Lands adjoining teemed with rabbits. the Government should take energetic and continuous action. after some further discussion Mr Morton moved that Mr Bourchier and the Secretary be appointed delegates to the Conference seconded by Mr Patterson and Carried.

4. Lands Department stating that the Reservation of 4a. 3r. 16p for Public Garden Wedderburn had been Gazetted on the 18th ~~August~~ July 1884.

24. Daniel Hallissey (Rowan) complaining of the loss and inconvenience to him by the Councils neglect to fence in the land recently purchased.
Dealt with by Council

25 Const Nolans & Dr Lianos report re measles
26 at Charlton. Secretary stated that matters were now progressing favorably.

27 Dr McVean reporting bad drainage at Charlton and prevalence of measles in different localities.
Mr Ross explained that he had authorised the inspection at Charlton [illegible]
A discussion took place upon the fee paid to Health Officers Mr Coutts considered 5/- for mile travelling expenses to enable a report to be made was too heavy [illegible]

understood that this and the fees for medical attendance were only to be charged in cases of destitution

28 Central Board of Health re fatal cases of Diphtheria at McIntyres.
The Secretary pointed out that instead of the Teacher reporting the cases immediately to the Council he had left it for the Central Board to do. He had instructed the local Inspector to inquire fully. The Secretary was instructed to call the attention of the Central Board to the above omission —

29 Lands Department that Gravel Reserve of 100 acres in parish of Borung had been Gazetted [illegible]

52 John Morphet and others in Coonos East & Barnaka Ratepayers praying that the road running through Mr J. Edwards Selection might be thrown open.

Messrs Morphet and Stewart attended in support of the petition. Mr Morphet stated that the road was very much needed and was the only one which would lead to a natural pass in the range, for miles. Cr Bourke spoke to the same effect and thought as the omission to provide a road was the blunder of a Government official the cost should bear its proportion of the cost of throwing open.

Cr Bourchier, Cr Paterson: That the Central Riding members try to come to an amicable settlement with Mr Edwards, failing this, the necessary steps will be taken to obtain possession of land required for the road. Carried

The Secretary was instructed to write to the

Department asking it to interfere as the fault is with the Surveyor who made the survey —

Treasurer reported since last meeting
Receipts £178.13.9 Expenditure £102.7.12
Bank Overdraft £148.13.
Mr Redwood } That the Treasurer's Report be
Mr Bourke } approved Carried

Engineer Reported:—

1. Re drain on Wedderburn and Avoca Forest road finds the levels are favorable to the proposed drain and Mr Lyons agrees to the water being discharged
2. upon his land. Hudson Messrs Moorhouse and Kitson Salisbury West who are both willing for an outfall drain to be cut through their land to the River Go are of opinion that as the natural course of the water is through their land the drain should be cut at their expense
   Recommend 30 Chains formation and a Culvert at any point in the forming the land holders wish be done in connection with the above.
3. On inspecting East & West road Ringwood by Mackins and with Mr Coutts included 25 Chains extra forming ~~to be done~~ with work to be done near Bourchier & Bodenstowe.
4. Re crossing through Hope Creek by Evans ~~are~~ is of opinion that a substantial timber drop costing probably £45 will prevent further scour
5. Re bridging over Ringwood Creek near Ringwood Cricket ground would prefer the matter to be held over till a bridge could be erected
6. Considers crossing better than bridges over creeks on Inglewood & Bendigo Road.
   Re Bridge near Robertson [illegible] 5 [illegible]

of metalling and the one by the Sawmill some filling and 4 Chains of metal total cost about £70
7. Re drains by Mr Hayden, about 60 Chains of drains along road running East & West & 80 chains along north to the Woolshed Channel would slightly improve the place but to make a good job 2 Culverts must be made and 40 Chains of formation thrown up, the cost of drains will be £35 and Culverts and formation about £95.
Mr Redwood } That work by Moorhouse be postponed
Mr Hall } till estimates are being framed for next year, Carried
Mr Bourchier } That work by Mackins as recommended
Mr Paterson } by Engineer be approved and included in the work to be let today. Carried

Mr Coutts
