20. Secretary Inglewood Hospital for public Bank holiday on the 18th March on the occasion of the annual fete.

Cr Allo
Cr Rawood } Secretary to apply for public holiday for the parishes of Inglewood, Kurting and Bealiba. Carried.

21. Secretary Berrima Farmers Association introducing Deputation consisting of Mr Bennett & Jackson on the subject of Rabbit extirpation.

Deputation } Mr Bennett stated that the rabbits in Berrima and neighbouring parishes had increased. that farmers cannot afford the Poison is of no use and the only method of effectively keeping the trouble is by the use of wire netting which many of the farmers cannot afford to purchase & the object of the Deputation is to request the Council to obtain wire netting from Melbourne on deferred payments.

Cr Sinclair stated that he had accompanied a deputation to the Ministry on the subject and that the Ministry had offered to supply the netting on the guarantee of the Council; and the terms might be extended to 10 or 15 years.

Cr Coutts, Ferguson and Bourke expressed the opinion that the Government should face in the Council where required. After some further discussion it was decided that the Secretary write the Minister and to call for information on points referred to by that Council.

22 Mess.rs Denaschi, Lodge & other Ratepayers applying for the extension of Water Supply to their premises North Wedderburn.
Cr Gray moved that the application be postponed for future consideration. Agreed to.

Alexander Gray Downey offering £8 for yearly rental of Weighbridge.
Offer accepted on the motion of Cr. Ferguson and Sinclair.

24 Secretary Shire Harcourt asking Co-operation in effort to induce Lands Department to send two officers into the Rabbit infested districts of that Shire with view to Minister obtaining reliable information as to the nature of the Rabbit pest. Received.

25 Post & Telegraph Department relative to the application of residents of Port Arthur and Port Albert for additional Postal accomodation & proposing a trial of certain arrangements for three months conditionally that the Department is put to no expense,
Secretary had sent a copy of the letter to the ratepayers interested,

26 Maldon Shire Council asking Co-operation in effort to induce a pledge from Candidates for Parliament that they will support a movement to ensure the increase of the Municipal Endowment, to £2 for every £1 of Rates Collected.

Cr. Betts
Cr. Coutts } That Council agree with the resolution of the Maldon Shire Council.
Carried

27 John Aitchison asking permission to lay a on his land not occupied and adjoining selection. Received

28 Secretary Inverloch & Connors Bridge Association for support to movement for the extension of the Railway line from Wonthaggi Board, Connors Bridge.

Cr Gray
Cr Sinclair } That the Council heartily support the proposal to extend the Railway from Wonthaggi towards Connors.
Carried

36 Secretary North Eastern Municipal Association notifying date of the Association's next meeting. Received.

37 Water Supply Department stating in reply to Council's application that no money is available for further loans under the Local Governing Bodies Act. This letter was in connection with expenditure on Wedderburn Water Works and as money could not be obtained to repay the general fund by any other way than the formation of a Water Trust, Mr Gray moved that the members of the Central Riding form themselves into an Urban Trust, after discussion however it was decided to hold the motion over till next meeting.

38. Secretary Shire of East Loddon asking Council's cooperation in effort to obtain construction of a light Railway between Inglewood & Durham Ox a distance of 33 miles also for the appointment of delegates to accompany a deputation to the Premier on the subject.

Mr Kennedy
Mr Gray

That Council hartily support the movement for extension of Railway to Durham Ox. & that Cr. Coutts accompany the Deputation.

Carried

39 Mr H. S. Barrett Solicitor Dunolly asking Council have any proposal to make with to the Claim of Mr Richmond of Wedderburn for damages to his back alleged to be caused by water from Street drains.

Mr Gray, Rovo & the Engineer stated that Mr Richmond had called their attention to the damage but had made no specific claim and in the absence of this Council decided to take no action. Secretary to reply to Mr Barrett to this effect.

40 Lewis Magnus Wedderburn asking Council to take measures for enforcing the order in respect to stray cattle about the Streets.

The Secretary stated that it was impossible to get anyone to impound the Cattle & the order would have been enforced long ago.

Mr Gray moved that the Bailiff be asked to exhibit a notice of Nuisance for Wedderburn at a salary of £8 per annum, agreed to.

41 Treasury forwarding a/c for £3418. 10/ being second moiety of Municipal Subsidy voted for 1888. 9.

42. Govt Statist asking Council to make such arrangements as will ensure the completion of Statistics Collection by the first of March. Secretary stated that Collectors were about [illegible]

43. Water Supply Department asking if Council has any objection to selection under Section 32 L. A. 1884 of Allot. 60 with an area of 633 acres. Parish Borrung Received Council has no objection

44. Ratepayers Petition objecting to deviation of road near land herein applied for by John W. Russell.
Secretary was directed to reply that Cr for Dobbs Riding will visit the locality & inspect for themselves.

45 M. O'Shannessy applying for an additional payment on age of his Contract at the Wedderburn Reservoir, on the grounds that he was compelled to use blasting powder in excavating big wood. thought he contracted with the engineer, upon the assumption that the material could be removed with picks & spades.
After considerable discussion Cr. Gray moved that £10 be allowed O'Shannessy seconded by Cr Rose & Carried.

46 D. Guthrie Contractor applying for maintenance money £3 due on Contract at Terrinbirst.
Secretary to make enquiries ——

47 Mesdames G. & C. Freeman Charlton pointing out necessity for improvements to their end of High Street Charlton.
Cr Sinclair will give notice later on.

48 W. Richmond Wedderburn applying for permission to erect a verandah to his premises.
granted subject to usual conditions.

49 Department of Water Supply asking Council to furnish technical description of Water supply District Korong Vale so that the same might be proclaimed under the provisions of the Local Government Bodies Loans Act
Secretary was attending to this matter.

Local Board of Health

By-law to be given — Cr Ferguson moved that the Secretary prepare and submit to next meeting a bye-law applying to the whole Shire the provisions of the Local Government Act forbidding the keeping of pigs
Agreed to.

Correspondence:—

1 Dr Adam reporting death in Hospital from Diphtheria
2 Dr. Beckett re case typhoid Charlton (Mr Cox)
3 Central Board of Health drawing attention to the new powers extended to Local Boards by the new Public Health Act.
4. Central Board of Health with forms for reports of the Local Board and the Health Officers
5 Dr Beckett reporting two additional cases of typhoid at Charlton.
6 Inspector of Nuisances reporting favorably on sanitary condition of the Township of Korong Vale generally except that railway station where the weeds grow in profusion give much offence.
Richmond
7 C.B.H. notifying that the Shire has been declared under the Health Act to be infected with Diphtheria
8 Registrar Births & Deaths Charlton notifying death from typhoid of two persons named Fraser & Beck
9. C.B. Health with memorandum re Typhoid fever
10 Inspector Steel asking Council to make bye-law prohibiting pigs & piggeries within the township of Charlton.
11. The same asking Council to make him some reward for his trouble in the prosecution of H. Read for pollution of creek at Jeanes
12 Dr Macrae pointing out nuisance caused by bad drainage at Korong Vale Railway station

The various routine matters referred to in the foregoing Correspondence had been attended to by the Secretary and officers appointed by them and was approved by Council.

With regard to Constable Steels application for reward Mr Gray moved that the sum of £2 be voted to him out of the general funds seconded by Cr. Kopp and carried

Cr Gatto called attention to setting up of dam at Thompsons gully by the action of the Mining Company, Secty to write to the manager threatening to withdraw consent if the nuisance is continued.

Cr Gatto also directed Engineer to ascertain whether the Reservoir at Kneale is on a Reserve or not and report at next meeting.

This concluded the business of the Local Board and the Council resumed the meeting.

Cr Gray That the Secretary ask the Railway Department to enlarge the drains leading to the Korong Vale Reservoir or contribute £100 towards the cost of same, agreed to,

Treasurers Report

Receipts during month	£1605. 7. 8
Expenditure	£1366. 6. 8
Bank Overdraft	£1095. 2. 10

Report Received and approved

Engineers Report

Recommends enclosing Wedderburn Reservoir and the Recreation Reserve on the West of it with Rabbit proof fence

Also advises extension & enlargement of Catch-water drains Also recommends the formation

formation of an Urban Trust with Power to borrow pay £2000. for the purpose of carrying out various works in connection with improvement and extension of the Reservoir.

2 Recommends Council to apply to the Government for a special grant of £1000. for repair of damage by recent flood.

3 With reference to a petition attached to engineers report for repairs to crossings near Wheto & Winters Barrakee he recommended repairs to two crossings at a cost of £10 and £18 respectively.

4 The Reserve at Woosang on which a tank is situated has been selected partly and the survey as made leaves only a one chain road for approach to dam, which the engineer considered enough.

Cr Gatto
Cr Redwood That Secretary apply for assistance from the Minister for Public Works towards repairing flood damages. Carried

Cr Sinclair That application be made for reservation for Water Supply purposes of about 70 acres of land at Woosang applied for by Mr. Robertson agreed to.
