Auditors [illegible]

Auditors reported & Ferguson reported that no extras to any contract over £5 [illegible] without the consent of the Council.

Rabbit Inspectors reports were read showing that the pest was [illegible]

Engineer's Report

1. Recommends with view of abating the causes of complaint about drainage of Charlton that two separate systems of drainage be adopted the first of which should be two pitched open drains one on each side of Armstrong Street with similar drains on each side of all streets leading into Armstrong Street by means of which all drainage of that portion of the town could be conducted into sewer already existing in High Street. For the southern part of the town similar work should be constructed [illegible] with an open pitched channel through [illegible] land to the river.
2. Re drainage of Kyoungdale recommends laying [illegible] in main street with stone pitchers and constructing an open brick drain along the back street.
3. In connection with these proposals [illegible] recommend application to Government [illegible] of £1000. and that the balance of [illegible] to execute works [illegible]

of debentures or other means.
Recommend Pipe Culvert and 4 Chains formation by Moscombes Buckrabanyule; 300 yards maintenance gravel on general formations Wycheitella. Widening track on Dobsons road and repairing formation on Kapoo line.
1000 Cubic Yards Gravel on roads leading to Wedderburn and the streets of that town; 150 yds gravel and formation by Browns track and 40 chains light formation by Browns & Robertsons Parish of Kellar, 300 yds metal Inglewood & Bridgewater road and township Bridgewater. 20 Chains forming Bridgewater Salisbury road & 100 yds gravel on formation between Hope & Spring Creeks
5 Recommends deviation of road applied for by Mgr Rising Star, M. B Burkes Flat so as to admit of unlocking Company's claims.

The report was adopted as read.

Cr Sincair
Cr. Ferguson } "That an application be made to the Government for a grant of £500 for drainage at Charlton.
