58 Mr Stott resigning the office of Inspector, Charlton recommending appointment of Sturbout Corbett.

59 Sturbout Corbett applying for position of Inspector at Charlton at a salary of £15 per annum without any share of fines &c

Cr Coutts } That Constable Corbett be appointed
Cr Clark } Inspector of nuisances at Charleton for a
Cr Chalmers } period of six months at the salary of £15 per annum and no share of fines.
Carried.

61 Sergt Constable Corbett asking whether he should prosecute persons polluting a dam at Barrabee. Secretary had replied that he should use his own opinion as to whether prosecution was necessary in the interests of the public.
A discussion followed as to the desirability of having these tanks entirely open to the public Cr Chalmers favouring the idea.

63 Shire of Caulfield stating that at a Conference of municipal delegates interested in the proposed appeal against the decision in Cardo v Co. Case it was resolved that all the municipalities should assist in carrying the appeal to the Privy Council, and inquiring what amount the Council will subscribe. £5 had already been voted

64 Shire Bet Bet stating that the proposal to carry out work on the Shire boundary had been deferred till their next meeting

65 Govt Statist for returns of live stock & stock slaughtered during 1890
Secretary had supplied

66 Mr Brennan asking Council to have lamps at Charlton repaired & the posts painted

Mr Brennan appeared in support of his application, & after some discussion during which the president expressed the opinion that the lamps could be kept in a much better condition the matter was referred to the Engineer with authority to have the work done.

74 Ratepayers & others Nth Swifts applying to have a dam made in their locality

Cr Catto stated that he could not recommend the expenditure necessary especially as the site proposed was on a fold field. Brennan & he was of opinion that application should be made to the managers of the Common.

Cr Coutts } That the persons signing the
Cr Redwood } petition be referred to the Managers of the Common.

Several letters advising that fox skins had been sent by post were referred to the acting Secty who stated that green skins & tails of foxes were both prevented as claim for the reward & he desired distinct instructions on the subject.

Council ordered that complete skins only produced to a Cr or the Secretary be entitled to the reward of 1/-

75 Municipal Endowment Conference with final report & statement of expenses received. The passing of the last L.G. Amendment Act having ended recently for the Conference

78 Ratepayers Wedderburn applying for improvements to road between Reeves Royal Hotel & the Magpie Dam.

Cr Ross was not in favor of expending any money on the road which had been recently laid since first surveyed.

Mr Cook one of the petitioners addressed the President stating that the road had not been used because it was impassable. It was finally decided to refer to the Engineer for report to next meeting.

79 William Bishop applying for payment of balance of his a/c £7.6.0 for 160 yds of loam at Kingparrie also Hamilton's £1 for 4 yd.

Received

80 Thos Kewley stating that his is a partner with Pierce in the Contract for 1000 yds loam at Kyneton and requesting that the half share of payment be made to him

Crs Liddiard & Chalmers considered Kewley entitled to payment, and after some discussion it was resolved that Secretary write to Pierce in whose name Contract was let informing him that the Contract must be completed before any payment is made upon it, & if not completed to Contract time Engineer to finish it at Contractors expense.

81 A. Ivar applying for permission to place gates on a road between the

Carlous & Fabry selectors parish of Kyneton.

Council grants permission on usual terms during its pleasure.

83 Mrs Brodie applying for Council's assistance in gaining admission to the Eye & Ear Hospital for her wife who is 72 years of age, also town.

84 Do. a dam enclosing a certificate to the effect that Mrs Brodie is a fit subject for the Eye & Ear Hospital.

Referred to Riding members & the Engineer

86. Ratepayers of Salisbury West & Bowett asking that the dam near Bisetto holding be cleaned out.

Cr. Cerutto thought few outside ratepayers would benefit by the work & he moves that action be taken, agreed to.

87 A. Christian drawing attention to want of improved drainage near his place

Referred to Engineer

88 H. Brown & 13 others applying for the excavation of a dam at Brown's in the Parish of Tarrangulla.

Cr. Ross
Cr. Chalmers } That no action be taken

cd

Health Correspondence

Inspector Satchwell reported that the dam near Mr Keepes Highwood road was being polluted by swine & he intended to proceed against the owners.
With reference to proceedings taken against Tolson & McDough for travelling & offering for sale cattle known to be diseased The defendants were fined £50 in all with £12 for cost & expenses in addition and as a considerable amount of work & responsibility had been imposed on him he applied to have the amount of fine paid to him.

Cr Ross
Cr Gray } That the report be received & approved and half the fine in one case viz £12 " 10/ be paid to Satchwell.

Cr Coutts
Cr Kedwood } That the Inspector be paid £20 CR

Amendment by
Cr Palmers
Cr Caidlaw } That £15 " 15/ be amount payable to Inspector.
For amendment 3 against 5 –
The motion was carried

Council adjourned for refreshments
On resuming
Secretary stated that Inspector Satchwell had handed in an age for £5 horse hire &c in connection with Tolsons case also an application to alter the terms of his appointment so that he will be

paid a fixed salary. The letter & age were then read & Cr Ross moved that the age be paid but the terms of the appointment remain as at present – not seconded. – After a good deal of discussion it was ruled that the age is not in order not having been received at proper time and that Satchwell be asked to continue as at present.

A number of other letters relating to Public Health were dealt with

Treasurers Report

Receipts during month £1218 " 11 " 2
Expenditure do £965 " 3 " 3
Bank Overdraft £173 " 17 " 9

Received & approved

Mr Rinder read an Abstract of alterations made in the Local Govt Act by the amending Act of 1891.

The Acting Secretary submitted a list of names of persons at Charlton who had not paid the asphalt age &c and on the motion of Cr Caidlaw & Gray it was ordered that all defaulters be summoned

Engineers Report was read & dealt with as follows:–

Clause 7 Cr Caidlaw } That Goodwins Contract
Cr Bleakers } be cancelled and the work completed by the engineer that is for work done but checks to be paid

On Clause 8 Cr Chalmers stated that Beer had to do more work at the Boring neighbridge than had been contemplated & was informed that he would be paid extra.

On Clause 9 Recommending construction of a new bridge at Charlton Cr Laidlaw was in favour of a deputation from this & the St Arnaud Shire being sent to Melbourne to apply for a subsidy to the work, after some discussion

Cr Coutts
Cr Laidlaw } The Secretary be instructed to write to the St Arnaud Shire Council asking them to consent to designs being made by the engineers for a bridge 24 feet wide, one for stone abutments & iron girders the other for a wooden bridge, carried

On Clause 10 re proposed bridge at Allans Marrowillock, Cr Laidlaw introduced a deputation consisting of Messrs Allan Douglas Sait & Thompson ratepayers in the Korong Shire who strongly advocated the bridge.

Cr Chalmers reminded the Council that the Minister of Public Works had promised to favourably consider an application for a vote for this work if made in March, the work would be done at the expense of the 3 Shires & he was in favor of it.

After some further discussion

Cr Chalmers
Cr Laidlaw } That a sum of £150 be appropriated from next Share of the Govt Endowment & that with the consent of the other Councils an application be made

for a special grant towards the cost of the bridge.

On Clause 3 Mr McNicol attended & gave a statement of the difference between the value of the work done & the payments made by Mr Hawkins.

On the motion of Cr Chalmers this matter was left to the Engineers to make a settlement.

On Clause 21 Engineer was ordered to pay Dalrymple £23 0 0

On Clause 27 Cr Ross & Cr Gray That Tenders be called for 1/2 mile of drains & cut filling near Phillips Dam Bo Creek Feat Cd

Clause 29 Cr McGurk moved that Tenders be called for work between Kilbreenie & Jarvong.

Clause 31 Cr Gray } That Tenders be
Cr Ross } called for improving Street Channels between Bank & P.O Wedderburn. Cd
also for extension of drains leading to the Wedderburn Reservoir.

On Clause 32 reporting that a contract for increasing the Storage Capacity of Wedderburn Reservoir had been let since the December meeting by the Central Riding members, the President thought the Riding members should have in a formal way shown the usual courtesy to other members by asking them to approve of the contract before it was let, Cr Laidlaw was of same opinion

After some further discussion

Br Ivan
Br Laidlaw } That the action of the Central Riding members in accepting tenders for work at the Reservoir Waverley be approved. Cd

Br McClark that the Secretary write to the Kara Kara Shire asking them to join in the construction of a bridge as recommended by the Engineer at Sandy Creek,
