## OVERVIEW OF THE CALIVIL COMMUNITY

Calivil is a small community in the Loddon Shire. It has a population of approximately 200 residents and is situated 70 kilometres north of Bendigo and 70 kilometres west of Echuca (Demographic details – Appendix 2<sup>1</sup>). It is one of the Shire's principal irrigation areas. It consists of mainly dairy farms, but also has a diverse range of other farming including; cattle, prime lambs, and pigs. This very small community was settled in 1872. It was then heavily timbered with grey and yellow box gums with dense undergrowth of golden and cat tail wattles and abounded with kangaroos.

Calivil has always been a place with a strong sense of community, which is demonstrated by the buildings, recreation area and the community groups that work hard to keep them maintained and functioning.

Calivil currently has a well-equipped hall that was built in 1960. The original hall was built in 1909. The St Marks Anglican Church was erected in 1937, then in 1953 the Methodist Church as built. It is today the Calivil Uniting Church.

The Calivil community also had two schools which both opened in 1878, a Post Office that opened in 1879, and a shop which opened in 1963.

Today community and sporting organisations play a big role in the Calivil Community and still do, with football, netball, golf, tennis, cricket and bowls all active in this area.

Other community groups consist of the Senior Citizens, Church and Guilds, CWA, Recreation Reserve Committee of Management, Hall Committee, Housing Committee and Cemetery Trust.

The Recreation Reserve is cared for and maintained by a caretaker who is supported by community members.

The Calivil Community has a great sense of pride in its people and environment.

## DEMOGRAPHICS

Demographic data provides information which can be used by clubs and committees of management to understand the current make-up of the community. Potential markets can be determined by examining the number of people in specific age groups. Other details such as household income may help decision making in terms of setting fees and languages spoken at home may indicate a need to have information translated into other languages for example. A brief summary of the demographic make-up, as taken from Census 2016, of the Calivil community follows:

- there were 178 people in Calivil. Of these 52.3% were male and 47.7% were female.
- The median age of people in Calivil was 43 years
- Children aged 0 - 14 years made up 21.5% of the population and people aged 65 years and over made up 17.5% of the population
- Of people in Calivil aged 15 years and over, 60.3% were married and 16.3% were either divorced or separated.
- In Calivil, 38.7% of people were attending an educational institution. Of these, 29.0% were in primary school, 8.1% in secondary school
- Of people aged 15 and over in Calivil, 12.1% reported having completed Year 12 as their highest level of educational attainment, 18.5% had completed a Certificate III or IV and 12.9% had completed an Advanced Diploma or Diploma
- The most common ancestries in Calivil were Australian 34.6%, English 29.5%, Scottish 6.5%, Irish 5.5% and Filipino 2.3%
- In Calivil 73.8% of people were born in Australia. The only other responses for country of birth were England 3.6% and Philippines 3.0%.
- In Calivil, 64.0% of people had both parents born in Australia and 11.4% of people had both parents born overseas.
- In Calivil, 73.9% of people only spoke English at home. The only other responses for language spoken at home were Tagalog 4.0% and Filipino 1.7%.
- There were 80 people who reported being in the labour force in the week before Census night in Calivil. Of these 70.0% were employed full time, 22.5% were employed part-time and 0.0% were unemployed.
- The only responses for occupation in Calivil were Managers 54.7%, Labourers 24.0%, Technicians and Trades Workers 12.0%, Clerical and Administrative Workers 5.3% and Machinery Operators and Drivers 4.0%.
- Of the employed people in Calivil, 54.5% worked in Dairy Cattle Farming. Other major industries of employment included Sheep Farming (Specialised) 12.7%, Other Grain Growing 10.9%, Beef Cattle Farming (Specialised) 5.5% and Grain-Sheep or Grain-Beef Cattle Farming 5.5%.
- The median weekly personal income for people aged 15 years and over in Calivil (State Suburbs) was \$604
- Of the families in Calivil, 41.9% were couple families with children, 41.9% were couple families without children and 16.3% were one parent families.
- In Calivil, of couple families with children, 47.1% had both partners employed full-time, 0.0% had both employed part-time and 14.7% had one employed full-time and the other part-time.

\*More details demographics – refer to Appendix 2

## COMMUNITY PLAN BACKGROUND

Community Plans are developed by the community for the community. Community planning is a forum that enables community members to identify what is important in their community. It encourages people in the community to have their say, encouraging them to be actively and genuinely involved in providing their thoughts and visions for the future of their community. Community planning assists in identifying the direction the community wants to take to move forward, as well as documenting some of the ideas and suggestions to make it happen.

The benefits of community planning can be seen across three inter-related areas:

1. Connecting with communities

- community members meet each other and/or develop their connections
- similar concerns / projects of interest are identified
- common values are identified and documented

2. Developing resilience

- generosity and helpfulness is developed amongst community members
- community successes are recognised together and shared together
- community members coordinate to help each other

3. Connecting with Council and other organisations

- communities work to achieve community outcomes with assistance from Council and other organisations
- council is informed and attuned to community needs and wants.

The first Calivil Community Planning Meeting was held on the 21<sup>st</sup> of July, 2003. A notice was put in the Community News and a letter was sent out to all community organisations inviting them to come along. John Brooke and Craig Niemann, from the Loddon Shire, attended to help with the process. From this meeting a Steering Committee was formed to put the community's ideas into a written document that categorised and looked at the long and short term things that needed to be done in Calivil.

Another Community meeting was held on the 26<sup>th</sup> of November 2003, with an Architect to discuss ideas for making the hall, toilets and footy sheds a more workable and pleasant place for our community to come together in. A Steering Committee then met to prepare the Community Plan draft, so that it could be presented to the community for their final approval. A Community meeting was then organised for the 16<sup>th</sup> of June 2004 at the Calivil Hall, where the community gave the Plan their approval and it was presented to the Loddon Shire and East Loddon Historical Society on the 19<sup>th</sup> of July 2004. The Community Plan was titled "*The Calivil Community's vision for the next generation and beyond*".

Since the Steering Committee developed the plan, they then merged with the Calivil Recreation Reserve Committee of Management in 2005, which now oversees the implementation of the Community plan's goals. This merge was prompted by the need to have representatives from each of Calivil's Clubs and Organisations involved with the Community Plan, which was the structure existing at that time in the Calivil Recreation Reserve Committee of Management.

The Calivil Community reviews the Community Plan annually to ensure that achievements are recognised, goals are still relevant, and to ensure any additions the community wishes to make are added.

*Refer to page 14 to view the organisations involved in the consultative process.*

## VISION

“Our vision is for Calivil to become a more desirable place to live, interact, and run a business”

## OBJECTIVES

- ★ To foster the development of the Calivil Community through the cooperation and coordination of community groups, local Shire Council and government agencies.
- ★ To enhance the identity of the Calivil Community
- ★ To improve the social, physical and economic environment of the Calivil Community.
- ★ To encourage the development of community projects and events that promote community cohesion.

## Planning Principles

A number of key planning principles have been identified for Calivil Recreation Reserve to guide future planning decisions regarding programs, services or facilities in the community. These planning principles are as follows:

<b><u>Planning Principle</u></b>	<b>Wherever possible, Calivil Recreation Reserve will support and encourage:</b>
<b>Community Involvement and Benefit</b>	Initiatives which involve the local community in the planning, management and operation of the site and provide ongoing physical, social, economic and environmental benefits to the community (including community strengthening), providing that a demonstrated need can be established.
<b>Sustainability</b>	Initiatives that will maintain or improve the sustainability of the site in terms of participation by local people, the environment, social opportunities and financing. The use of environmentally friendly materials and products will also be promoted.
<b>Multi Use of Facilities</b>	Facility developments and upgrades that are multipurpose in design to allow for a range of different groups and individuals to use the facility. It will encourage clubs and organisations to share facilities and management responsibilities so that facilities are used to their maximum capacity and limited resources (such as volunteers, and funds for operations and maintenance, etc) are best utilised. It will also allow opportunities for cross-promotion of activities and events and greater community interaction. Generally maintenance of existing buildings will be a priority over the development of new buildings, however new buildings will be considered if there is potential to expand the range of recreational opportunities available; provide for existing opportunities, reduce the number of buildings through consolidation and provide a more sustainable asset in the long term.
<b>Access and Equity</b>	Upgrades and developments that allow for greater access to facilities for people of all ages, gender, abilities and socio-economic backgrounds, for both active and passive activities. This involves providing a range of different recreational opportunities wherever possible and ensuring that barriers relating to factors such as costs and times are minimised wherever possible.
<b>Provision of a Safe Environment</b>	Initiatives that encourage a safe environment that adhere to Australian Safety Standards, Healthy By Design Guidelines and other relevant industry standards concerning safety.
<b>Development of a Welcoming and Inviting Environment</b>	Initiatives that help to create an inviting and welcoming environment through effective construction standards, building designs, landscaping, signage, traffic flow, pedestrian flow, parking, fencing and general maintenance. Such attention to detail will help create a sense of pride within the community and will be appealing for use by local residents as well as visitors to the area. Consideration should also be given to ensuring any development complements the surrounding areas.
<b>Partnerships</b>	Initiatives that include a range of relevant partners, so that limited resources are maximised and facilities, programs or services are not duplicated.

## Action Plan

Priority actions in this plan have been identified and prioritized based on a number of factors including whether or not the development is consistent with the vision and planning principles identified for the community. Actions have been included if:

1. Have been demonstrated through a number of sources such as previous community plans, recreation reserve master plan, external shire/regional strategic plans, community surveys etc, as needed by the community
2. Are likely to benefit the broader community (from a social, physical, economic and / or environmental perspective) and involve the community in operations or management
3. Create improved access for people of all abilities, ages, genders, etc
4. Increase the opportunity for the facilities in the community to be used for a variety of different and / or new activities
5. Are likely to increase safety of users and reduce risk management issues
6. Are likely to allow the site to meet industry standards, regulations and legislation
7. Reflect best practice and current industry trends
8. Likely to be financially sustainable in the long term and consider whole of life funding costs, including development of replacement schedules
9. Are sustainable likely to decrease operational costs
10. Are likely to reduce the demands on volunteer's time
11. Will rectify existing infrastructure that is currently in a very poor state or beyond repair
12. Are likely to attract external funding
13. Are within the resource capacity of communities to achieve, i.e. plans are cost effective, user groups have sufficient resources to make the required financial contribution, user groups can provide some in-kind labour, user groups can assist with project management, suitable plans have been developed, etc
14. Enhance the appearance and usability of the site, e.g. improved landscaping, heating / cooling, marked car parking bays, etc
15. Involve a number of partners to assist with funding and / or operations, management and maintenance

The key areas identified in this Master Plan are:

### **Gaps**

- Limited landscape amenity
- Limited access to a secure and affordable water supply
- Lack of monitoring of water use
- Ageing irrigation system
- Lack of power supply and lighting
- Ageing cricket infrastructure
- Lack of signage
- Lack of connectivity between buildings

## **Opportunities**

- Access additional water
- Reduce water use
- Co-location of netball and tennis pavilion at the one site
- Development of on-site events
- Development of a campsite
- Enhancement of activities for older adults and the whole community

## **Strategic Directions**

- Implement a formal water use monitoring and annual reporting process
- Investigate the sinking of a bore to provide an alternative source of water for the Recreation Reserve
- Install a new irrigation system to reduce water use
- Construct a BBQ to encourage visitation by people passing through the area
- Consider development of a campground at the Recreation Reserve to help increase tourism visitation to the region
- Re-vegetate and landscape around the entire recreation reserve to improve visual amenity of the site
- Continue to explore the development of events at the site, e.g. a farmer's market and alternative expos to increase revenue in the local community
- Modify power supply to the football shed
- Install safety signage around play area and additional directional signage to and around the reserve
- Install an extra light tower on the football oval
- Construct a covered and paved area which links the pavilion to the change rooms

## CALIVIL COMMUNITY PLAN – GOAL SETTING 2020

Highlighted are our top priorities for 2020

	<b>SHORT TERM GOALS (WITHIN 1-2 YEARS)</b>	<b>MID TERM GOALS (WITHIN 3-5 YEARS)</b>	<b>LONG TERM GOALS (WITHIN 6-10 YEARS)</b>
<b>Tourism / Economic development Opportunities/ Improving our local economy</b>		<ul style="list-style-type: none"> <li>• Development of golf car park / rodeo area as a camping ground</li> <li>• Develop Calivil as a place for Country Weddings, Country Conferences &amp; School Leadership programs.</li> </ul>	
<b>Environmental issues/ Natural environment</b>	<ul style="list-style-type: none"> <li>• Review and revise current practices in regards to water usage &amp; supply. (Investigate the viability of digging &amp; lining of the dam)</li> <li>• Review and revise current practices in regards to the Reserves waste management.</li> <li>• Continue the process of establishing the Pompapiel Reserve (the spare salt block) (Seeding of trees has been done)</li> <li>• Tourism board for Calivil.</li> </ul>	<ul style="list-style-type: none"> <li>• Refurbishing and Sprinklers on the football oval.</li> </ul>	
<b>Community Services</b>	<ul style="list-style-type: none"> <li>• A "Welcoming" Package for new people to the area</li> </ul>	<ul style="list-style-type: none"> <li>• Child care centre</li> </ul>	
<b>Community Facilities/ Built environment and town beautification</b>	<ul style="list-style-type: none"> <li>• BBQ and shelters near playground, with extra seating</li> <li>• A covered and paved area which links the Hall to the Footy rooms.</li> </ul>	<ul style="list-style-type: none"> <li>• Polish floors in the Hall.</li> <li>• Centralised pavilion for the tennis and netball club rooms</li> </ul>	<ul style="list-style-type: none"> <li>• Toilet facilities for cemetery.</li> </ul>
<b>Equipment / Maintenance</b>	<ul style="list-style-type: none"> <li>• New urn for Tennis</li> <li>• Dinnerware &amp; cutlery for hall</li> <li>• Lighting for the Tennis/Netball</li> <li>• Mower/tractor upgrade</li> </ul>	<ul style="list-style-type: none"> <li>• Beautification to the Cemetery</li> <li>• New cricket nets</li> </ul>	

THE CALIVIL COMMUNITY PLAN & MASTERPLAN (Reviewed April 2020)  
The Calivil Community's vision for the next generation and beyond

<b>Landscaping/ Beautification/</b>		<ul style="list-style-type: none"> <li>• Beautify north side of Calivil-Prairie Rd (trees, shrubs)</li> </ul>	
<b>Infrastructure</b>	<ul style="list-style-type: none"> <li>• Replace the 10km signs near playground</li> </ul>		
<b>Industry</b>			<ul style="list-style-type: none"> <li>• Investigate: Opportunities for more intensive / alternative farming Opportunities for industry development Employment and housing opportunities</li> </ul>
<b>Transport</b>		<ul style="list-style-type: none"> <li>• Bike trail/route linking the small communities together (Dingee, Calivil, Mitiamo, Jarklin etc)</li> </ul>	<ul style="list-style-type: none"> <li>• Upgrade the Calivil/Prairie Road</li> </ul>
<b>Community health and wellbeing</b>			
<b>Sport and recreation</b>			
<b>Social opportunities</b>			
<b>Heritage, arts and culture</b>			
<b>Learning and knowledge</b>			
<b>Improving where we live</b>	Feasibility Study	<ul style="list-style-type: none"> <li>• Telstra Tower to improve communication</li> </ul>	

## COMMUNITY PLAN PROGRESSION...

Calivil was allocated its first lot of funding from the Shire for Community Plan items in the 2005-2006 financial year. This is where we begin the journey of projects completed since this time...

YEAR	PROJECTS COMPLETED		Funding sources
2005-2006	→ Construction of a new playground (with some old equipment) with a surrounding post & wire fence.	\$8,500 \$5,000	Community Planning funds Shire Community grant
2006-2007	→ Upgrade Club Rooms: New glass door, paint & carpet, polish wooden floor New chairs & tables	\$8,500 \$9,845	Abbott Foundation FRRR/AFL
	→ A green sign for Calivil on Pyramid-Yarraberb Rd	-	Loddon Shire
	→ Revegetation of the Recreation Reserve Land (the beginning of development)	\$2000	Community Planning funds
	→ New bar area in the Club Rooms	\$40,000	Calivil United F&N Club
	→ New windows in Netball Shed	\$500	Calivil United F&N Club
	→ New fridges in Hall and Bar Area	\$3000	Volunteer Small Equip Grant
	→ New oven in Hall's kitchen	\$2000	Regional One Credit Union
	→ Floor covering in Hall toilet areas	\$2000	Calivil Hall Committee
	→ Replacement of tee markers on golf course	\$500	Calivil Golf Club

2007-2008	→ Track around football oval	\$3626	DSE Public Safety Funding
	→ Split systems in Hall & Clubrooms	\$14,586 \$4,000 \$2000	DSE Stewardship in Action Loddon Shire Comm Grant Community Planning funds
	→ Machinery Shed	\$8000 \$2500	Community Planning funds Calivil Rec Reserve Groups

THE CALIVIL COMMUNITY PLAN & MASTERPLAN (Reviewed April 2020)  
The Calivil Community's vision for the next generation and beyond

	→ Post & chain barrage in front of bar / footy rooms (with extra gravel)	\$1500	Community Planning funds (from 06-07)
	→ Industrial vacuum cleaner	\$600	Vic Small Equipment Grant
2008-2009	→ Painting the Interior of the Hall	\$4,375	Loddon Shire Comm Grant
	→ Wheelchair access from Supper Room to Hall	\$1300	Loddon Shire Disability Fund
		\$500	Hall Committee
	→ Upgrades to the Hall – New skirting, dado rail, replacement of two doors on east side, re-screwing ceiling, extra door out to east cloakroom. New blinds & stage curtains.	\$10,500	Community Planning Funds
	→ Window area to run a bar in the Hall (from the west cloakroom).	\$1500	Hall Committee
	→ Establishing a Day Care Centre in the Caretaker's House.		Erica Duffy & DayCare
	→ New chairs for the Hall.	\$1500 \$5000	VACC Loddon Shire Comm Grant
	→ New swings & sofffall put in playground.		Calivil Recreation Reserve Bears Lagoon Silage Services
	→ Piano tuned in Hall.		Hall Committee
	→ The interior & exterior of the Bowling Club was painted, and a new blind put in the kitchen.		Calivil Bowling Club
	→ Lighting installed at BBQ area at Tennis Club.		Calivil Tennis Club
	→ New island bench & bench with drawers in Hall's kitchen.	\$3500	Calivil Hall Committee
	→ Five Exit Lights to be installed into the Hall.	\$2240	DSE – Public Safety Fund
2009-2010	→ Football Change Room Upgrade		
	→ Dishwasher and cupboards for kitchen	\$4220.00	Council Allocation
	→ Sound system in hall	\$5256.00	Loddon Shire Council allocation
2010-2011	→ New Lawn Mower	\$4490	Eaglehawk UFS Calivil Community Groups (pro-rata)
2011/12 /13	→ Sun Shade	\$23271.00	Loddon Shire Council allocation
	→ Netball/Tennis Courts	\$85,750.00 \$20,000 (this will cover the	Federal Government Commonwealth Bank Grant

THE CALIVIL COMMUNITY PLAN & MASTERPLAN (Reviewed April 2020)  
The Calivil Community's vision for the next generation and beyond

		\$12,000 from clubs) \$60,000 \$5,000	Sport & Recreation Victoria Community planning
	→ Installation of 250,000 water tank – 110,000 installed.	\$	Sustainable Water Use Project – Loddon Shire
	→ Upgrade to exterior of Hall	\$8,500	Asset Management – Loddon Shire community plan funding
	→ Family Day Care Heating and Cooling	\$3,400	Social Connections & Asset Management – Loddon Shire community plan funding.
	→ Playground equipment	\$18,000	FRRR grant
2014-15	→ Fencing (playground)	\$4,800	Bendigo Bank grant
	→ Fencing (Dam & Pump)		Loddon Shire Community Planning scheme
	→ Line Marker	\$1,164.70	Loddon Shire Community Grants scheme.
	→ Mower		Loddon Shire
	→ Irrigation for bowls		External & Organisation funded
2018	→ Shade Sails (Tennis)	\$4537.5	VicHealth
	→ Weed Spraying	\$4000	DELWP
2019	→ Netball/Tennis Spectator shed	\$ 29,095.58	External & CUFNC funded
	→ Weed Spraying	\$3300	DELWP
2020	→ BBQ Shelter	\$35,000	Loddon Shire Community Grants
	→ Feasibility Study	\$7000	Loddon Shire Community Grants

<b>Comments:</b>	We believe adding a BBQ to the Recreation Reserve will further encourage visitors/campers to the reserve.				

## Calivil Community Plan Projects 19/20

### Project 1

## FUNDING RECEIVED FROM THE LODDON SHIRE COMMUNITY GRANTS SCHEME 2020

#### Project title

BBQ and shelter including seating.

#### Project description

The Calivil Recreation Reserve Committee of Management wish to continue to cater for the existing needs of its community and the future demands placed upon it. It is vitally important that we ensure sustainability and the continuation of quality sporting facilities and recreational opportunities.

Over the past 4 years, the Calivil Recreation Reserve have worked tirelessly to improve our tennis, netball and playground facilities with new multi-purpose tennis/netball courts being built (with lights), as well as additional pieces of playground equipment, playground fencing and shade sails.

The next project in our Master Plan is to erect a Shelter with BBQ (including lighting for safety), so that community members and those that visit (especially campers that have started to utilise the reserve over the past 3 years) can come together in a social environment, have a BBQ and enjoy the sporting and recreational facilities that we have to offer.

A BBQ on the reserve does not currently exist, and the committee has always felt that the lack of a BBQ hinders social interaction at the reserve and camping opportunities. Adding this to the Reserve will encourage visitors, campers and community members to become involved and enjoy what we have to offer.

#### Financial details

INCOME	AMOUNT	EXPENDITURE ITEMS	AMOUNT
Amount requested	\$28293.00	4m x 4m Concrete Slab **Quote to be update to 6x6m**	\$3,400.00
Your cash contribution		1 x 4 post Akora Universal Shelter	\$8,965.00

Calivil Community Plan Projects 19/20  
Project 2

**Project title**

Multi-use club room.

**Project description**

Ongoing to our new multi-use netball/tennis courts, we would like to remove the existing netball shed, tennis shed and tennis club room to upgrade to a centralized clubroom with both the netball and tennis clubs utilizing the one. The current club rooms and shedding are no longer pest proof and require repairs and maintenance or upgrading. We believe combining and putting funds into building a new club room for both club's would be better for the long term.

## Calivil Community Plan Projects 19/20

### Project 3

**Project Title:**

Calivil Walking Track

**Project description:**

The Calivil community is very sport orientated. We believe the best way to improve the quality of life is to remain fit and active for as long as possible. With this in mind, we proposed a Walking Track at Calivil to further provide members of our community with a developing centralized area of sport and fitness, for all levels of fitness.

The proposed Walking Track will follow the track around the football and cricket ground with signage about the vegetation native to the area. We also envisage places to sit, sculptures and exercise points. Signage will be present with a local focus, perhaps incorporating local families past and present in some form. The track will then continue past the old Rodeo Area (south of the entrance) which one of our LMCLP members is looking into making an area for an outdoor meeting place. The track will then move towards the Golf course where a small bike track will run allowing children to ride whilst parents are walking, all in view of the playground and BBQ picnic area. Lastly, the walking track will do a loop around the area in front of the golf course then head along the track to front of hall and then go past the RSL Memorial to join the track from the start.

The track is a kilometer in length so can be utilized by all fitness levels. The walking track is part of our Community plan as it provides community members and visitors another place to exercise and come together.

The only responses for occupation in Calvil (State Suburbs) were Managers 54.7%, Labourers 24.0%, Technicians and Trades Workers 12.0%, Clerical and Administrative Workers 5.3% and Machinery Operators and Drivers 4.0%.

Industry of employment, top responses Employed people aged 15 years and over	Calvil	%	Victoria	%	Australia	%
Dairy Cattle Farming	30	54.5	11,606	0.4	20,326	0.2
Sheep Farming (Specialised)	7	12.7	4,974	0.2	18,197	0.2
Other Grain Growing	6	10.9	3,684	0.1	19,053	0.2
Beef Cattle Farming (Specialised)	3	5.5	7,145	0.3	44,309	0.4
Grain-Sheep or Grain-Beef Cattle Farming	3	5.5	2,301	0.1	15,056	0.1

Of the employed people in Calvil (State Suburbs), 54.5% worked in Dairy Cattle Farming. Other major industries of employment included Sheep Farming (Specialised) 12.7%, Other Grain Growing 10.9%, Beef Cattle Farming (Specialised) 5.5% and Grain-Sheep or Grain-Beef Cattle Farming 5.5%.

Median weekly incomes People aged 15 years and over	Calvil	%	Victoria	%	Australia	%
Personal	604	--	644	--	662	--
Family	1,292	--	1,715	--	1,734	--
Household	1,025	--	1,419	--	1,438	--

The median weekly personal income for people aged 15 years and over in Calvil (State Suburbs) was \$604.

Family composition	Calvil	%	Victoria	%	Australia	%
Couple family without children	18	41.9	559,717	36.5	2,291,987	37.8
Couple family with children	18	41.9	709,965	46.3	2,716,224	44.7
One parent family	7	16.3	234,596	15.3	959,543	15.8
Other family	0	0.0	27,800	1.8	102,559	1.7

Of the families in Calvil (State Suburbs), 41.9% were couple families with children, 41.9% were couple families without children and 16.3% were one parent families.

Dwelling count	Calvil	%	Victoria	%	Australia	%
Occupied private dwellings	55	72.4	2,112,699	88.3	8,286,073	88.8
Unoccupied private dwellings	21	27.6	278,629	11.7	1,039,674	11.2

In Calvil (State Suburbs), 72.4% of private dwellings were occupied and 27.6% were unoccupied.

Tenure Occupied private dwellings	Calvil	%	Victoria	%	Australia	%
Owned outright	33	56.9	682,685	32.3	2,565,695	31.0
Owned with a mortgage	10	17.2	746,502	35.3	2,855,222	34.5
Rented	15	25.9	607,354	28.7	2,561,302	30.9
Other tenure type	0	0.0	17,178	0.8	78,994	1.0
Tenure type not stated	0	0.0	58,983	2.8	224,869	2.7

Of occupied private dwellings in Calvil (State Suburbs), 56.9% were owned outright, 17.2% were owned with a mortgage and 25.9% were rented.

Rent weekly payments	Calvil	%	Victoria	%	Australia	%
Median rent	100	--	325	--	335	--
Households where rent payments are less than 30% of household income	--	100.0	--	89.6	--	88.5
Households with rent payments greater than or equal to 30% of household income	--	0.0	--	10.4	--	11.5

The number of households where rent payments were 30% or more of an imputed income measure are expressed in this table as a proportion of the total number of households in an area (including those households which were not renting, and excluding the small proportion of visitor-only and other non-classifiable households). The nature of the income imputation means that the reported proportion may significantly overstate the true proportion.

THE CALIVIL COMMUNITY PLAN & MASTERPLAN (Reviewed April 2020)  
 The Calivil Community's vision for the next generation and beyond

Household composition	Calivil	%	Victoria	%	Australia	%
Family households	38	67.9	1,495,290	70.8	5,907,625	71.3
Single (or lone) person households	18	32.1	521,828	24.7	2,023,542	24.4
Group households	0	0.0	95,588	4.5	354,917	4.3

In Calivil (State Suburbs), of all households, 67.9% were family households, 32.1% were single person households and 0.0% were group households.
